## Happy 4<sup>th</sup> of July!!!!

### Cowboy Racing in Mississippi

### 2015 Events

Mother Nature gave us a nice rain to cool things down in Pontotoc, Mississippi, but the competition heated up! With almost 60 racers competing for those beautiful Mississippi State Champion Buckles (thanks to Vaudry Edge), the competition was tough for judge Diane McMurtrey. Thanks to Vaudry Edge and Alice Williams for coordinating the event and the Archie family for bringing and setting up the obstacles. As always, Joel Mobley did an awesome job of announcing the runs for all competitors, as well as keeping the race running smoothly.

We can't thank our judge, volunteers, competitors, sponsors and spectators enough, all of whom made this a great event.

Results and pictures are on the next pages.

SOCA is hosting a Schooling Day and Obstacle Judging Clinic on Saturday, July 11<sup>th</sup> at Darby Oaks Stables in Bushnell, FL. Spots are limited so make sure you reserve yours now. Details and entry forms are attached to this newsletter.

## SOCA NEWS

### SOCA EVENTS NOW COUNT TOWARD ACTHA POINTS

FOR IMMEDIATE RELEASE

June 1, 2015

The American Competitive Trail Horse Association

637 Soda Creek Road, Spicewood, TX 78669

[www.actha.us](http://www.actha.us)

(877) 992-ACTHA

Inquiries welcome at [support@actha.us](mailto:support@actha.us)

#### Competitive Trail Organization Partnership

The American Competitive Trail Horse Association (ACTHA) is pleased to announce a new program to further recognize the great American trail horse. In line with the motto "A job for every horse," ACTHA's new Competitive Trail Organization Partnership program is a way to keep even more horses employed and out of dire circumstances. Beginning June 1, as an ACTHA member, your horse can earn points wherever they compete! Regardless if ridden at an ACTHA event or with another organization, horses can accumulate points in the Achievement Awards Program that stay with them for life. Now you can combine the points earned at ACTHA rides with those earned from other organizations that host competitive trail riding or obstacles. This means your endurance ride, or trail class in an arena will count towards your next Achievement Award.

Several organizations such as the ones listed below are jumping on board to help keep their horses in work:

Arabian Horse Association

Appaloosa Horse Club

American Paint Horse Association

American Endurance Ride Conference

American Quarter Horse Association

Southern Obstacle Challenge Association

If you want your organization to be included in the program, please contact [support@actha.us](mailto:support@actha.us) or call 877-992-2842. For more information on ACTHA, please visit [www.actha.us](http://www.actha.us).

#### SOCA is already starting to plan for 2016

Please provide your thoughts about venues and timing for our events. Is there someplace you do or don't want to see an event held? Are there months of the year you do or don't want to see events. Do you want more schooling days? Please send your thoughts to us at [southernobstaclechallenges@gmail.com](mailto:southernobstaclechallenges@gmail.com)

## SOCA Member Spotlights

### Meet your fellow SOCA Members

## Karen Wilson

My husband, Bob Knight, and I lived in Pinellas County for over thirty years. During that time, we watched as open land was slowly gobbled up for office complexes and subdivisions. When we had to move our horses twice because the barns where we were boarding them were being bulldozed down, and it took a two hour or more trailer haul just to find some place to ride in the woods or chase cows, we started looking for a more rural environment. Citrus County looked just about perfect. Bob applied for and got a job with Citrus County Government, we bought 41 acres, named it Rocking K Ranch and began building. We now have a two-story house, a barn, a greenhouse, a lighted riding arena and several outbuildings on what was once blackberry bramble, woods and ravines. We also have an ever-expanding trail in the remaining woods complete with obstacles. Bob even put in over 400 feet of pipe in order to produce a water-filled ditch!

Bob considers himself a white collar cowboy, although both he and I learned to ride as children. Our interests when we were much younger included speed events (especially barrel racing) and team penning. Now that we are older, we have found the perfect sport for us and our horses—trail obstacles. And Bob has been able to put his engineering degree to good use. He really enjoys building obstacles, and his alter ego enjoys making them more and more difficult. We've hosted several National Barrel Horse Association events at our ranch, and drill teams have used our arena for practice, but we've never met a nicer bunch of people than members of the Southern Obstacle Challenge Association. We hope to host many more SOCA events at the Rocking K Ranch. Bob is currently working on a ravine course down into the rock mine pit behind our house and back up the other side. That should be fun!

## 2015 High Points

In 2015 SOCA will award high point obstacle challenge winners in the following divisions: Novice, Youth, Non Pro, Open Elite and Posse. Points from each of the 2015 SOCA Obstacle Challenges will be totaled, with double points at the obstacle challenge championship in November. The horse/rider team with the most points will be the high point champion. Based on the feedback from members, the high point award will be custom SOCA buckles.

Regional Championship buckles for the Extreme Cowboy Races will be determined by points accumulated at SOCA events only. The horse/rider teams accumulating the most points at each designated SOCA EXCA race, with the triple points at the Nationals in June and Regional Championship races in September and double points for State Championships in January, April and June, will be awarded the high point buckle in the following divisions: Pro, Non-Pro, Ride Smart, Novice, Intermediate, Youth, and Non-Pro.
