May & June EXCA Races Were Amazing!!

May Race in Hodges, AL

Thanks to Vaudry Edge, John Hodges, the Archie Family and all of our other Mississippi and Alabama friends, we had a great race in Hodges, AL on May 11th. Mother Nature tried to dampen our spirits, but the fun facility and amazing courses that judge Chris Redden put together, made for a great day! We can't thank everyone that was involved in putting on the race enough. You all are great! Results and pictures are on the next page!

EXCA National Championships Decatur, AL - June 1st and 2nd

Over 120 of the best entries in the country made for an awesome EXCA National Championship! Thanks to our judges Diana McMurtrey, Lee Hart, Jim Ochs, Chris Redden, David Cowley and Rick Peniston; Our amazing announcers Joel Mobley and John Glonek, with music by Denise Redden. Course Designers Joel Mobley and Chris Redden made fast and challenging courses. Jane Peniston coordinated a great pot luck feast on Friday. Special thanks to ALL the volunteers that made this possible. There are simply too many list. Lisa Steinbach, Shelby Ratliff, Beth Sandness and Terri Glonek kept the office running. You are all amazing!

**THANKS TO ALL OUR SPONSORS
THAT MAKE OUR EVENTS POSSIBLE!**

Solving the Shampoo Puzzle

By Dr. Melinda J Mayfield DVM. WCHP-AH

Technical Services Veterinarian for Innovacyn, Inc., makers of Vetericyn® Animal owners can often be found in the shampoo aisle of pet stores reading the ingredients and instructions on every bottle while trying to decide which one is best for their animal. In the words of a popular media clip, “Ain’t nobody got time for that!” It seems a degree in chemistry is needed to understand some of the labels. Let’s try to break down what is truly important in animal shampoos and solve this puzzle.

There is a lot of talk about pH, but what does it mean? It is a measurement from 0-14 that expresses the acidity or alkalinity of a substance with 7.0 being neutral. Lower values are “acidic” and higher values are “alkaline”. It is important to avoid any product that is too close to either end of the scale, with 6-8 being optimal.

Other ingredients that get a lot of attention are parabens. These act as preservatives in shampoos and can be absorbed through the skin and may disrupt hormone function in the animal. Breaking down all the possible ingredients in shampoos would be a very long and boring article. Instead, let’s get to the two most important aspect of a shampoo—its ease of use for the pet owner and how well it cleans and supports skin and coat health for the animal.

Many shampoos come in a thick, concentrated form, and if not properly diluted, these shampoos can strip the acid mantle (pH balance of the skin). The usual method with these shampoos is to wet the animal and apply the product along the topline. Trying to spread shampoo over the entire body can be difficult as well as time consuming. And if your particular animal doesn’t enjoy bath time, this process can be frustratingly difficult. The next challenge comes when it’s time to rinse the shampoo off. If all of the shampoo is not thoroughly rinsed after each bathing, a build-up can occur and lead to skin irritation and much bigger skin issues due to chronic itching. It also can cause the coat to look dull. That’s why I recommend Vetericyn® FoamCare®™ shampoo products to my clients.

FoamCare® is an easy-to-apply, spray-on, foaming shampoo that is optimally formulated for the skin and coat. The spray on system allows product to be applied quickly and evenly over the animal’s body. This, combined with the foam’s easy rinsability, means a much quicker and more efficient washing and rinsing process. Vetericyn® FoamCare®™ comes in pet, equine, and medicated formulas, each designed to fit your animal’s needs. Plus, you’ll get more washes per bottle with no mixing or diluting required! Vetericyn® FoamCare® Pet Shampoo is available in three coat-specific formulas that match your pet’s unique fur/coat type. It sprays on for quick coverage, foams up instantly, conditions skin as it cleans, and rinses easily. It’s safe, non-toxic, paraben-free, and helps enhance the animal’s natural immune system against skin issues.

Vetericyn® FoamCare® Medicated Pet Shampoo is formulated with salicylic acid to clean, soothe, and heal your animal’s skin from common dermal ailments. It provides healing relief for itching, hot spots, dry skin, dermatitis, and other skin issues and it can be used on all types of fur/coats. Vetericyn® FoamCare® Equine shampoo is specially formulated to deliver nutrients vital to your horse’s skin while providing a conditioning, showworthy clean. The easy-to-use spray formula makes it a great shampoo for spot cleaning certain areas of your horse too! Plus, it features a unique LUXShine blend that provides a lasting, show-worthy shine to the coat.

For horses with skin issues there is FoamCare® Equine Medicated Shampoo. It contains ketoconazole to treat ringworm, girth itch, scratches and other tough fungal disorders. It’s also safe enough for daily use.

All Vetericyn® FoamCare® shampoos are pH optimized, plant based, antiinflammatory, paraben free and formulated to correctly wash and condition the animal’s skin and coat. They’re also formulated to be used in conjunction with the great line of Vetericyn Plus® Wound & Skin Care products. Don’t get overwhelmed in the shampoo aisle. Grab a bottle of Vetericyn® FoamCare® Shampoo and find out how fast, fun, and healthy bath time can be!

can have fun!

2019 High Points

In 2019 SOCA will award high point obstacle challenge winners in the following divisions: Novice, Youth, Intermediate and Open Elite. Points from each of the 2019 SOCA Obstacle Challenges will be totaled and the horse/rider team with the most points will be the high point champion. Please make sure you see the "moving up" rules on the event flyers.

Regional Championship buckles for the Extreme Cowboy Races will be determined by points accumulated at SOCA events only. The horse/rider teams accumulating the most points at each designated SOCA EXCA race (with 5 times points at the Nationals in June and triple points at the Regional Championship races in September, as well as double points for all State Championships) will be awarded the high point buckle in the following divisions: Pro, Non-Pro, Ride Smart, Novice, Green Horse, Intermediate, Youth and Young Guns. The March and October FL races do not count toward this high point.

To be eligible for high point buckles, SOCA members must have attended all challenges or races.

SOCA dues (\$10) are due January 1st!

Please renew at your first event of the year. Dues help fund the highpoint awards and administrative costs of the club.

Purpose of SOCA

OBSTACLE CHALLENGES

- Divisions for all levels of horses and riders
- Open to all breeds
- Payback in all classes, prizes, and ribbons
- Ten to fifteen obstacles
- Events will be in arenas and on the trail

EXTREME COWBOY RACES

- Sanctioned Extreme Cowboy Races with divisions for: Pro, Non-Pro, Novice, Intermediate, Ride Smart, Youth, Young Guns, & Green Horse
- Open to all breeds
- Payback, prizes, and ribbons

CLINICS/SCHOOLING DAYS

- Learn to negotiate obstacles
- Schooling days will allow you to practice obstacles with the help of others, and without the pressure of competition.
