Leading Innovation in Equine Health

Bob Burlingame started Vetericyn in 2009 with a vision for creating new innovations in animal health. Growing up on a farm in Michigan, he also raised livestock and had a passion for horses. After his time as a Navy fighter pilot, he found success in business and came across some new and innovative technologies in human health, that he knew would make a difference in caring for animals on the farm or ranch. It was this vision and his passion for animals that led him to create Vetericyn®.

Today, Vetericyn® is committed to developing the most safe, effective, and innovative animal wellness products in the world. All Vetericyn Plus® products are proudly made and manufactured in the USA under strict quality guidelines in a state-of-the-art manufacturing facility that is an FDA registered site.

Equine Wound Care

Vetericyn Plus® Antimicrobial Liquid products relieve pain and jump-start the healing process. Use them to clean, flush, moisturize and help prevent potential infection in wounds, cuts and abrasions. We encourage you to share your stories with us at: <https://vetericyn.com/submit-a-testimonial/>

New Equine Hoof Care

Vetericyn® Mobility Hoof Care™ effectively aids in the repair of hooves by penetrating deep into hoof layers and crevices to purge and remove pathogens that cause hoof disease, odor, and lameness. Check out our new Mobility Line at: <https://vetericyn.com/equine-mobility/>

Giving Back to the Community

From supporting our local community to providing products to rescues, shelters, and animal groups across the country, Vetericyn® gives back. Your support and purchases help us to make these contributions. Each year, Vetericyn® provides a Future Innovators of Agriculture Scholarship to a high school senior and an undergraduate student. Since our scholarship program's beginning, we have provided over \$20,000 in scholarship aid. Visit our website to learn more about our yearly scholarship opportunity.

Teachers and advisors play an important role in fostering the intellectual and social development of future generations. They inspire, challenge and help our children grow into the next generation of leaders, innovators, parents and responsible animal owners. Our Vetericyn® Ag Teacher advisor program offers educators with special discounts throughout the year as well as resources to help aid them in the classroom.

2020 High Points

In 2020 SOCA will award high point obstacle challenge winners in the following divisions: Novice, Youth, Intermediate and Open Elite. Points from each of the 2020 SOCA Obstacle Challenges will be totaled and the horse/rider team with the most points will be the high point champion. Please make sure you see the "moving up" rules on the event flyers.

Regional Championship buckles for the Extreme Cowboy Races will be determined by points accumulated at SOCA events only. The horse/rider teams accumulating the most points at each designated SOCA EXCA race (with 5 times points at the Nationals in August and triple points at the Regional Championship races in September, as well as double points for all State Championships) will be awarded the high point buckle in the following divisions: Pro, Non-Pro, Ride Smart, Novice, Green Horse, Intermediate, Youth and Young Guns. The March and October FL races do not count toward this high point.

SOCA dues (\$10) are due January 1st!
