SOCA Trail Obstacle Challenge - Rules & General Information

- EVERY person attending the Challenge (participant or observer) is responsible for knowing & abiding by these rules.
- SAFETY is first and foremost in this event. Please be careful. If your horse gets upset with any obstacle, it is better to pass than to try to force him to do something that will scare him or result in injury to horse or rider. At times there are unique obstacles, you are not forced to do anything that you are not comfortable with. Simply tell the judge that you will pass and they will record a zero for that obstacle.
- Each rider must pick up their own score card at registration. You will not be permitted to access the course and navigate obstacles without an official score card. Carry your score card with you on the course. It is each rider's responsibility to present the card to and collect it from each judge. When your last obstacle is scored, that judge will keep your card and turn in to the scoring team.
- It is mandatory that all riders 16 years and younger be helmeted at all times when on horseback on RO Ranch, Inc. property. All competitors in the Youth division are required to wear helmets, regardless of age.
- All competitors must wear boots or closed toe shoes.
- The obstacle judges have an obligation to ensure safety. If a judge determines a situation is not safe, their word is **FINAL**. If a judge asks you to not continue with a particular obstacle, you must obey that request and withdraw from the obstacle. **Arguing with the judges is not allowed** and will be grounds for dismissal from the Challenge and perhaps from the property.
- This is a family event, we ask that you please watch your language!
- Riding double is NOT allowed on the premises due to liability risk.
- All horses must have some type of bridle, Indian bit or headgear for control and some type of saddle or bareback pad that has a girth and stirrups. Bareback and bridle-less riding is not allowed. No tie down, draw reins or martingales.
- Each horse and rider must negotiate obstacles on their own, one at a time, **ATA WALK**. You may not follow another horse through an obstacle.
- Riders MUST stay mounted while negotiating an obstacle. A dismount will result in a zero score for that obstacle. [unless dismounting is part of the obstacle]
- Each obstacle has a one-minute (60 second) completion time limit. Please exit when asked, judge will alert you when time is almost up.
- Scoring will be based on a scale of 0 to 10, with 10 being the best and full point increments being awarded at the judges discretion:
 - **Score of 9-10:** Horse moves willingly toward and through the obstacle with relaxed, forward movements. NO hesitation and NO obvious encouragement from the rider, completes the obstacle.
 - **Score of 7-8:** Horse moves forward willingly with only one or two slight hesitations. Some subtle encouragement from rider and completes the obstacle.
 - **Score of 5-6:** Horse moves forward but is resistant with a stop or two, looking closely at obstacle. Obvious encouragement from rider and completes the obstacle.
 - **Score of 3-4:** Horse is resistant with frequent stopping, encouragement from rider, but completes the obstacle.
 - **Score of 2:** Rider shows good horsemanship skills, horse remains focused, but does not complete the obstacle.
 - **Score of 1:** Horse is extremely unwilling, but touches or gets through part of the obstacle. Does not complete the obstacle satisfactorily.
 - **Score of 0:** Horse is unable to complete the obstacle.
- There will be multiple judges for the trail challenge competition, each scoring two to four obstacles. The riders scores from all judges will be tallied together for a total score.
- Some obstacles will be timed to break ties, if there are multiple entries with the same total score.

Post entries will go at the end of the line in the obstacle challenge and at the beginning for the EXCA race. PRE-ENTRIES ARE STRONGLY ENCOURAGED!!!

The competition management reserves the right to remove the owner or rider from the competition without being liable for compensation or damages. Abuse of horses or humans will not be tolerated!
- Indemnity and Non-responsibility clause: All entries acceptable with the understanding that neither the Southern Obstacle Challenge Association, RO Ranch, nor its officers, nor any of the sponsors at the competition will be held responsible for any accidents, personal injury or damages done to any owner, horse/mule/donkey, attendant or their equipment that may be lost, stolen, destroyed or in any way damaged at this competition.
